### OTHER PRODUCTS AVAILABLE IN THE CQB-SPC SERIES

#### The Troy Industries, Inc. COB-SPCA4 Carbine

Retail \$1899

Call for Law Enforcement and Agency Pricing.

Features front and rear folding battle sights and a low profile gas block for longer sight radius and thermal protection. Shown with optional silencer attachment kit.

#### Troy COB-SPC Sound Suppressors

Retail \$880

Call for Law Enforcement and Agency Pricing.

Fusion welded 300 series stainless steel with an over the flash suppressor design that adds 3.5" to the length of the weapon. 30+ db reduction and can be fired wet or dry. Suppressor can be mounted on several weapons with purchase of additional mounts.

#### Troy COB-SPCA3 Carbine Upper Rec. Assy.

Retail \$1070

Call for Law Enforcement and Agency Pricing.

Complete upper receiver group with MRF-C, FBS-A2R, 3 heavy duty locking Rail Covers (1 with tape switch slot, add \$40 for vertical grip to replace one panel), Bolt and Charging handle, head spaced and test fired.

#### Troy Folding Battle Sights

Military ruggedized construction with true repeat zero precision. Sights lock in the upright position with dual stainless steel locking pins (2200 pounds of shear strength). Redundant ratcheting wedge locking system for no wobble. Constructed entirely of T6 and Stainless steel with Mil. Spec. Anodize and Oxide finishes. Sights deploy by pulling into place without any levers or springs to fumble with. Rear Sight features a dual aperture.
