GLOBAL RESPONSE PISTOL

We live in a time where small skirmishes or major battles may erupt overnight. Members of our armed forces have to be ready on a moment's notice to go to lands far away to keep the fight from coming home to us. When called on they need gear that is reliable and constructed for maximum performance even under the most extreme conditions. That's where the GRP performs best. It's a no frills weapon designed for rapid reaction. Check out the features. You'll quickly see why it should be your weapon of choice.

****Novak Extreme Duty Adjustable Night Sights with white outlines for good daytime visibility **5" Match Grade Barrel / Bushing **Lightweight Aluminum Match Trigger with extra beefy trigger bow for added strength **Slide Stop machine cut from forging **Front and Rear Cocking Serrations **Mainspring Housing with Integrated Lanyard **Crimson Trace Laser Grips**
