CHINA LAKE 4x40 - 40 MM PUMP ACTION GRENADE LAUNCHER SPECIFICATION SHEET

40mm Pump Grenade Launcher

Pump grenade launcher system is a bottom load tubular magazine multi-shot 40mm grenade launcher gun. Operates similar to all standard bottom load pump shot guns allowing for tactical reloading and minimal training. The 40mm lethal / less lethal capabilities plus its broad versatility make it the prime choice of the U.S. and Foreign Armed Forces as well as Border Protection officers and agents as an essential weapon in both offensive and defensive operations.
