**M24 SNIPER WEAPON SYSTEM
HERE TODAY**

A Very Limited Opportunity!

In an innovative business deal with PEO Soldier and the Army Materiel Command, Remington Defense was allowed to purchase the spare parts it removes during the conversion of an M24 Sniper Rifle to an XM2010 Enhanced Sniper Rifle. These parts, preserved in their original and serviceable condition, are then combined with a new M24 barreled action to create a unique historical firearm that meets all the accuracy requirements of the original military specification. There will be less than 2,000 of these systems offered for sale. Each system is priced at about half the cost of a new M24 System. Please consult the Remington Defense website at remingtondefense.com for ordering instructions to be posted by mid-Jan. 2012.

**To Honor Our Veterans
and Public Defenders
Sales Are Prioritized
for 2012 to the Following:**

- Priority 1: Military or Former Military Personnel Holding a Graduation Certificate from a Service-sponsored Sniper School**
- Priority 2: Currently Serving Active Duty, National Guard or Reserve Service Members**
- Priority 3: Military Retirees**
- Priority 4: Federal Agents**
- Priority 5: State and Local Law Enforcement Officers**

What Is In the Complete System?

A complete M24 System with Rifle, Optic, Case and most of the original accessories. New items include: receiver, barrel, and trigger assembly.

All sales are to individuals only and must be accompanied by proof of service/certification. The original paint scheme from the Army user is retained on each rifle, from as-issued black to hand-painted camouflage, so the look of each product will vary widely. Each purchaser is limited to one system. All pre-orders are first-come, first-served within each priority category. Pre-orders will be prioritized in the January to April time frame and notifications will be sent out to those receiving the opportunity to purchase one of these individually unique limited editions. Customers are responsible for shipping and handling charges to an FFL holder.
